

## Murad® Age-Proof Suncare Oil-Free Sunscreen Broad Spectrum SPF 30 | PA +++

**WHAT IT IS:** Murad's Oil-Free Sunscreen Broad Spectrum SPF 30 | PA +++ is a patented formula that prevents signs of premature aging caused by environmental exposure featuring MuraSol™ Antioxidant Defense, a proprietary blend of powerful antioxidants that penetrate the skin's top layers and create a protective barrier of encapsulated free radical neutralizers. These neutralizers release slowly over time, helping protect skin from free radical damage and creating a further, long sustaining defense against harmful UV rays. Additionally, Pomegranate Extract and Vitamin E provide essential antioxidants and moisture while broad spectrum sunscreen delivers maximum UVA/UVB protection.

Murad's Oil-Free Sunscreen Broad Spectrum SPF 30 | PA +++ is part of Murad's Age-Proof Suncare line, developed to optimize sun protection while preventing premature aging through the powerful antioxidant protection of *MuraSol* technology.
