

Murad® Age-Proof Suncare

Water Resistant Sunscreen Broad Spectrum SPF 30 | PA +++

WHAT IT IS: Murad's Water Resistant Sunscreen Broad Spectrum SPF 30 | PA +++ is a long-lasting, water resistant formula featuring MuraSol™ Antioxidant Defense, a proprietary blend of powerful antioxidants that penetrate the skin's top layers and create a protective barrier of encapsulated free radical neutralizers. These neutralizers release slowly over time, helping protect skin from free radical damage and creating a further, long sustaining defense against harmful UV rays. Additionally, Hyaluronic Acid and plant lipids preserve skin's barrier to ensure long lasting hydration while broad spectrum sunscreen delivers maximum UVA/UVB protection for active lifestyles.

Water Resistant Sunscreen Broad Spectrum SPF 30 | PA +++ is part of Murad's Age-Proof Suncare line, which was developed to optimize sun protection while preventing premature aging through the powerful antioxidant protection of MuraSol technology.

FEATURES/ BENEFITS:

- MuraSol provides free radical protection while helping to support skin's natural defense system
- Pomegranate Extract and Vitamin E deliver essential antioxidants and moisture to keep the skin soft and supple
- Patented Skin Repair System protects elasticity to maintain skin firmness
- Hyaluronic Acid and glycolipids preserve skin's barrier to ensure long lasting, continual hydration

THE MURAD DIFFERENCE:

As with all Murad products, this formula is rooted in The Science of Cellular Water™, Murad's proprietary system for optimizing cell hydration and skin health.

HOW TO USE:

Apply liberally to face, neck and chest. Reapply after 80 minutes of swimming or sweating; immediately after towel drying ; and/or at least every two hours.
