

MURAD® ANTI-AGING ACNE PORE & LINE MINIMIZING HYDRATOR

WHAT IT IS:

Murad's Pore & Line Minimizing Hydrator refines pores and provides essential hydration to soothe skin and help repair breakouts. Formulated to balance skin and minimize the signs of aging, this dual-action hydrator maintains clear, youthful skin by clearing and tightening pores for a refined complexion while boosting collagen for skin that looks and feels plumper and smoother.

Pore & Line Minimizing Hydrator is part of Murad's Anti-Aging Acne system, created to reduce acne and aging concerns simultaneously. Ideal for those who suffer from adult breakouts, the products in the Anti-Aging Acne line work together as an integrated system to reduce existing blemishes and prevent new breakouts from forming, while repairing the skin's barrier and optimizing collagen levels to minimize the signs of aging.

FEATURES/ BENEFITS:

- Kombucha Collagen Defense® stimulates collagen production and inhibits its breakdown to smooth the appearance of fine lines and wrinkles
- Lentil Seed Extract and Witch Hazel tighten pores and help control excess oil
- Cinnamon Extract restores the skin surface by reducing inflammation and optimizing oil production
