

## Murad® Acne Line

### What is Murad Acne?

Murad Acne is scientifically formulated anti-acne skincare that dramatically improves skin's health as it swiftly clears skin. Murad Acne products combine the clinically proven power to rapidly relieve breakouts and help prevent new blemishes from forming, with a sophisticated recipe of anti-inflammatories, antioxidants and hydrators that restore and strengthen the skin.

### What is unique about Murad Acne products?

Murad Acne products quickly create a dramatic difference in skin's health and appearance because they simultaneously clear, restore and protect acne-prone skin. Only Murad Acne combines pharmaceutical-grade anti-acne ingredients with Murad's exclusive skin-building blend of hydrators, anti-inflammatories and antioxidants.

### Step 1 Cleanse | Tone

- **Clarifying Wipes**
